STEERING WHEEL HUBS - MOZZI VOLANTI

These steering wheel hubs have been designed to maintain the original position of steering wheel (flat model).

The horn button is not included with the steering wheel hub kit.

It is, however, possible to purchase it separately (Ref. OD/1960).

When ordering a steering wheel hub you will be required to quote the product code as follows: OD/1960 + (vehicle specific code), for example OD/1960AL16

I mozzi elencati sono studiati per mantenere il volante (modello piano) nella posizione del volante originale.

I mozzi non comprendono il pulsante del clacson.

È possibile acquistarlo separatamente (cod. OD/1960).

Per le ordinazioni è necessario citare il codice composto come segue: OD/1960 + [codice vettura] ad esempio OD/1960AL16

* = Original steering wheel horn internals are required to be removed and fitted to the OMP hubs

* = Per il funzionamento del clacson occorre prelevare il contatto dal volante originale
